

South Texas Roost of Hospitality Presents:
Sixers on Ice @ Landa Park Golf Course

Format: Head-to-head match play, with each match consisting of a designated six-hole stretch. Participants play three matches per day with a total of six matches being played over two rounds.

Tees: All play will be from the Championship tees (black tee markers) at 6,205yds. Please note that the fifth hole tee markers may be moved up. Please play from the markers not from the furthest back tee box.

Scoring:

- Hole won = 1 point
- Hole halved = ½ point
- Hole lost = 0 points

*****There is an additional award of 1 point for a match that is won*****

There will be one individual in each group that will score all matches. It is the responsibility of the players in the group to verify the accuracy of each match prior to turning in cards at scoring. Please write down all gross and net (when applicable) scores to help with determining a champion in case of ties.

Tiebreakers: These will only be used to determine overall awards, not for individual matches.

1. Sudden death playoff (if possible)
2. Head-to-head match winner
3. Most matches won
4. Day 2 points
5. Day 1 points

Handicapping: Players handicap index will be taken 12pm central time on January 13th 2022. Any rounds posted after that day will not be accounted for. All strokes given in the matches will be calculated off the low player in the match and formulated to allocate properly over six holes instead of the traditional 9 or 18 holes. For any additional details please speak to a member of the scoring committee.

Local Rules: Any ball that strikes a power line must be replayed, at no penalty. All native areas are played as lateral hazard. In the case that a boundary or hazard is not marked, it will be played as a lateral hazard.

Rules Questions: Any rules issues or questions that come up during a match should be handled between the competitors, and the group. If there is still uncertainty, please play two balls and speak with the scoring committee directly after the round.
